 12 ft. (3.66 m) | 15 ft. (4.57 m) | 18 ft. (5.49 m)  
21 ft. (6.40 m) | 24 ft. (7.32 m) | 27 ft. (8.23 m)  
30 ft. (9.14 m)

##### Oval

 12 ft. x 23 ft. (3.66 m x 7.11 m) | 15 ft. x 26 ft. (4.57 m x 7.92 m)  
15 ft. x 30 ft. (4.57 m x 9.14 m) | 18 ft. x 33 ft. (5.49 m x 10.16 m)

#### Key features

- 8-inch injection-molded top ledge
- Incorporated multi-ribbed supports for optimum stability
- Features a sophisticated-looking metallic logo
- Two-color contrast provides incredible style
- 6-inch injection-molded upright, with extra depth for greater stability
- Three-dimensional injection molding means greater detail and solidity
- Stylish metallic ring at the top of the upright
- Resin wall channel at both the top and the bottom
- Smooth, undulated shape increases pool strength
- Larger support tab for greater stability
- Built-in drainage slot prevents wall corrosion
- Wall clip permits stability despite ground changes
- Upper joiner plate screws to top ledge and upright using a simple top-down system
- Oversized upper joiner plate ensures greater stability for top ledge
- Perfectly fitting and locking parts
- Upper plate in a complementary shade to top ledge for contrast and style
- Bottom joiner plate attaches to uprights using a snap-in system, no hardware required
- Smooth, quick installation into upright
- Made of resin: solid and corrosion-proof
- Invisible lateral supports on the oval models
- 30-year warranty: 5 full years and 25 years at 50%
